

YOUVILLE CRESCENDO CHORUS

Youville House
Assisted Living Residence

Singing therapy for symptoms that affect speech

Reclaim your voice with the Youville Crescendo Chorus

The Youville Crescendo Chorus is a therapeutic music program for people who are experiencing changes in their voices. Whether you are living with a neurological condition like Parkinson's disease or a different age-related cause of vocal weakness, participation in Crescendo Chorus can help improve audibility, volume, and articulation through a mix of enjoyable, collaborative singing exercises.

We are thrilled to be able to offer this innovative program for free to anyone who wants to participate. No previous musical experience is required.

Monday, April 1, 15 & 29; May 13; June 10 & 24; July 8

10:30 AM - 11:30 AM

1573 Cambridge Street, Cambridge, MA

Caregivers are welcome to participate!

Open to anyone
who loves to sing!

CHORUS INSTRUCTOR

Diana Cortes is a Berklee College of Music alumna and the neurologic music therapist with MEDRhythms Therapy. She is the primary clinician for the in-patient music therapy program at Spaulding Hospital in Cambridge. Diana is thrilled to share her passion for utilizing group singing to work on speech and voice goals with individuals with Parkinson's disease.
